# ABOUT US

Best Trade Supplies (Pvt) Ltd (BTS) is a subsidiary company established by World Polybags International (Pvt) Ltd, which is a large conglomerate based in Sri Lanka.

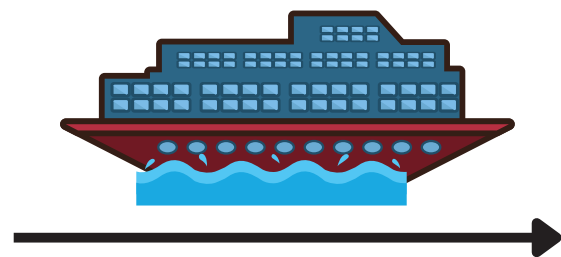

We strive to eliminate the barriers our customers face when direct importing whilst ensuring competitive prices, given our parent company manufactures most of the products we import.

Our team at BTS is based right here in Mahe Seychelles to ensure a face to face interaction with our customers and pave way for an easy and convenient access for our customers to hold accountable, clarify and consult any matters regarding the products/services we offer and build good long term business ties.
